Honors and Awards

1. **CEMSE Dean's List Award**, by King Abdullah University of Science and Technology. Academic year 2021/2022.

2. **Graduate Fellowship**, by King Abdullah University of Science and Technology (KAUST). From Fall, 2020 to PRESENT.

   The Fellowship is a competitive grant awarded to graduate students at KAUST. The grant consisted of direct research costs and living expenses. Under the supervision of Professor Dr. Paula Moraga, I have been working on the development of innovative statistical methods for geospatial data analysis with applications in health surveillance.

3. **Undergraduate Scholarship**, by Brazil's "Science without Borders" Program. From 07/2016 to 12/2017.

   The Scholarship was granted to excellent students from Brazil who wanted to complete part of their undergraduate education in other Educational Institutions overseas. It covered tuition and living expenses. I completed the program as a student at Curtin University (Australia).
